

IMPORTANT DISCLAIMER

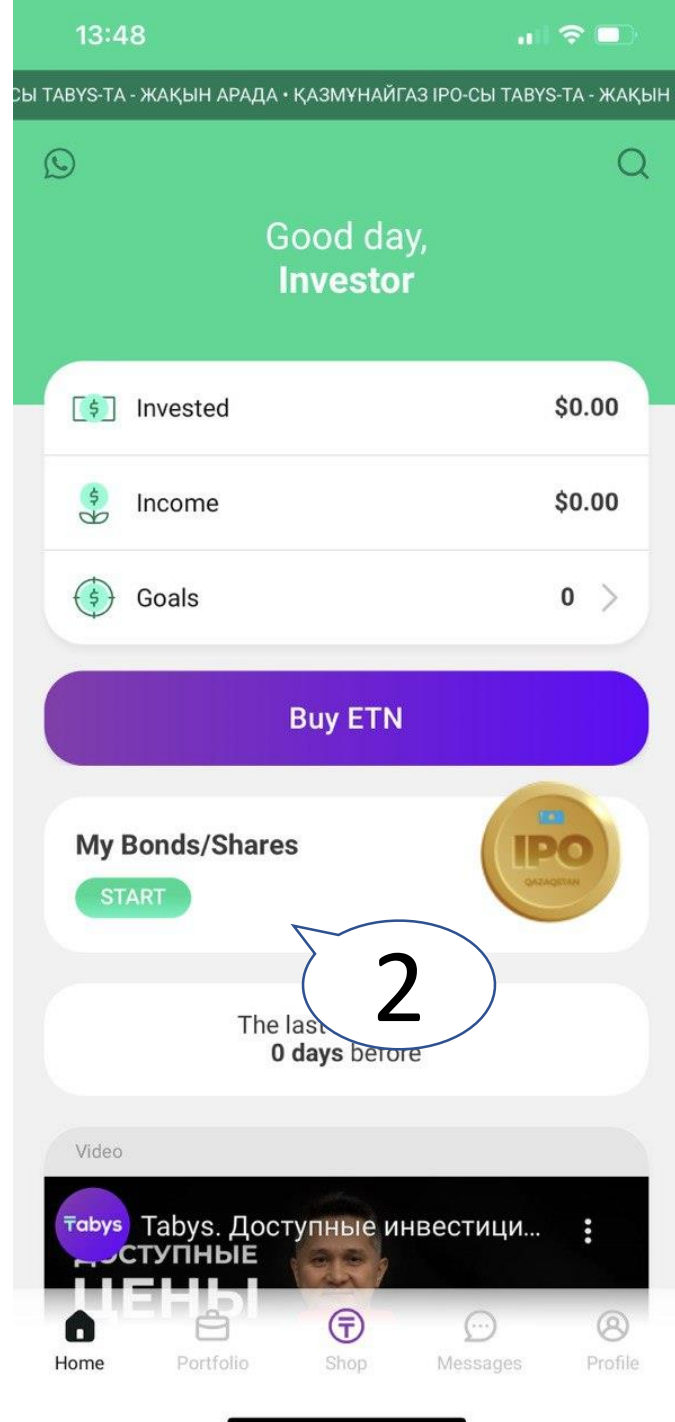

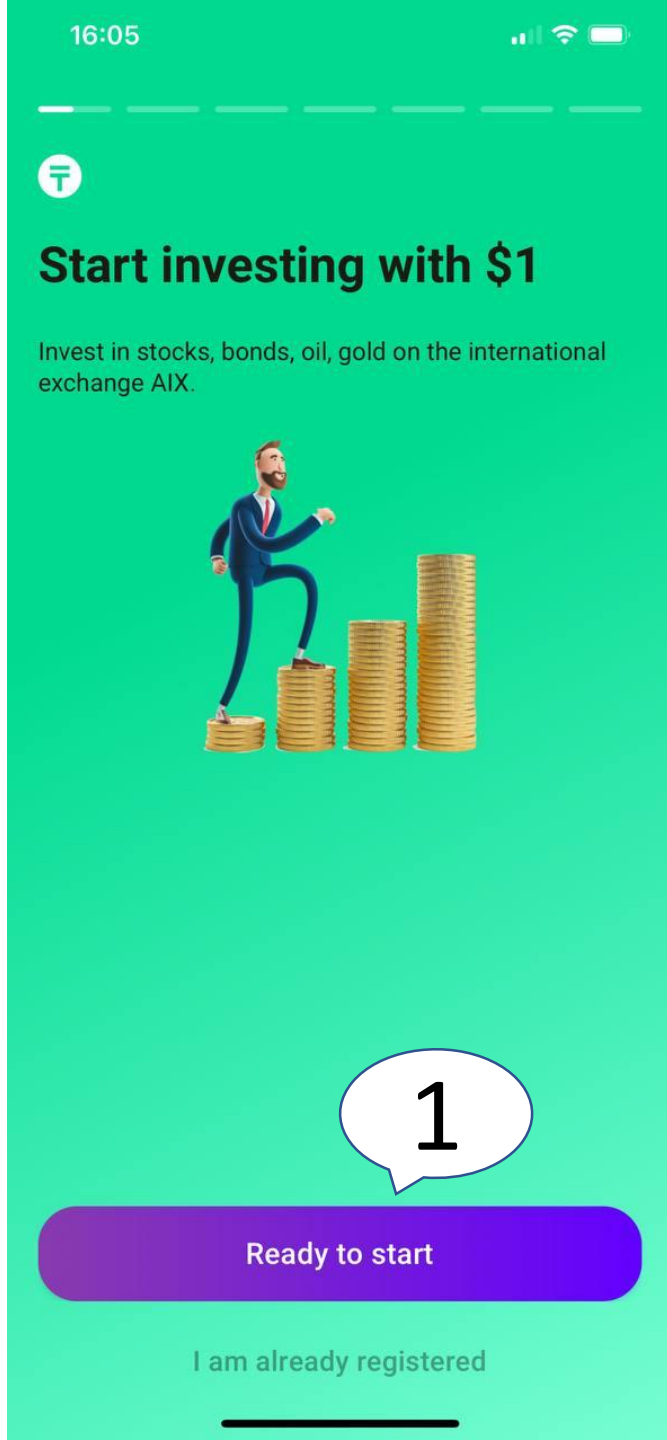

1. Tabys app is designated for the use of retail non-U.S. shareholders only
2. The app allows shareholders to open account directly in the AIX CSD
3. Only shareholders holding paper certificates will be able to transfer their holdings to the AIX CSD through Tabys. Upon the transfer, certificates will be converted into paperless shares
4. Transferring paperless shares from a broker to the AIX CSD via Tabys has not proved to be available within a reasonable timeframe due to the complexity of such a process, high probability of transfer failures and delays
5. The app does not allow you to trade shares, however it allows you to receive dividends and participate in Polymetal's corporate actions and e-vote

HOW TRANSFER OF SHARES TO AIX CSD WORKS THROUGH TABYBS

1. Firstly, you need a **unique access code to register** in the application. To get the code, please send the following details to redom@polymetalinternational.com with the subject “Tabys access code request”:
 - First name
 - Last name
 - Date of birth
 - Mobile number with a country code
 - E-mail
2. You will receive an access code within a week after your request and will need to **follow** this guide to register with the Tabys application (step 5 below).
3. After you complete registration, an account in AIX CSD will be created in your name.
4. After the re-domiciliation, the Company’s shareholder register will be transferred to AIX. AIX will reconcile holders of paper certificates with a list of shareholders with accounts in AIX CSD, and allocate respective amount of shares to their accounts. Paper certificates will no longer be valid.
