## Polymetal International plc

### Polymetal achieved Prime status in ISS ESG Corporate Rating

**According to the most recent ISS ESG Corporate Rating, Polymetal’s score improved from C+ to B-, crossing the Prime threshold.**

The ISS ESG Corporate Rating is a holistic, annual review of how companies implement and execute sustainability policies. Prime status is attributed to those companies with an overall ESG performance above the sector-specific Prime threshold, which means that they fulfil ambitious absolute performance requirements.

Polymetal also retained its MSCI ESG rating at ‘A’ level, following the latest update.

*“We have built a disciplined approach to environmental, social, and governance issues, which results in external recognition. Grateful to all our colleagues for their efforts in sustainability, we will focus on further improvements and alignment of our commitments and performance,” said Daria Goncharova, Chief Sustainability Officer of Polymetal.*

#### About ISS

ISS is a leading provider of corporate governance and responsible investment solutions, market intelligence, fund services, and events and editorial content for institutional investors and corporations, globally.

#### About Polymetal

Polymetal International plc (together with its subsidiaries – “Polymetal”, the “Company”, or the “Group”) is a top-10 global gold producer and top-5 global silver producer with assets in Russia and Kazakhstan. The Company combines strong growth with a robust dividend yield.

#### Forward-looking statements

This release may include statements that are, or may be deemed to be, “forward-looking statements”. These forward-looking statements speak only as at the date of this release. These forward-looking statements can be identified by the use of forward-looking terminology, including the words “targets”, “believes”, “expects”, “aims”, “intends”, “will”, “may”, “anticipates”, “would”, “could” or “should” or similar expressions or, in each case their negative or other variations or by discussion of strategies, plans, objectives, goals, future events or intentions. These forward-looking statements all include matters that are not historical facts. By their nature, such forward-looking statements involve known and unknown risks, uncertainties and other important factors beyond the company’s control that could cause the actual results, performance or achievements of the company to be materially different from future results, performance or achievements expressed or implied by such forward-looking statements. Such forward-looking statements are based

on numerous assumptions regarding the company's present and future business strategies and the environment in which the company will operate in the future. Forward-looking statements are not guarantees of future performance. There are many factors that could cause the company's actual results, performance or achievements to differ materially from those expressed in such forward-looking statements. The company expressly disclaims any obligation or undertaking to disseminate any updates or revisions to any forward-looking statements contained herein to reflect any change in the company's expectations with regard thereto or any change in events, conditions or circumstances on which any such statements are based.
